

Appointment for a New Problem

You can complete the highlighted fields on this form online and then print the form for easy reference. Only text that is visible on the form is printed; scrolled text will not print. Any text you enter into these fields will be cleared when you close the form; you cannot save it.

Print this form and fill in Section 1 before your appointment.

Complete Section 2 at the end of your appointment if you have a health problem that needs treatment.

Section 1	
Health information	
What questions or concerns do I want addressed during this appointment?	
My symptoms	
Do I have any symptoms? Include how long I've had them and what helps relieve them. If I have pain, describe where it is, how it feels, and how severe it is.	
If I have had these symptoms before, what helped then?	
Has there been a recent change in my normal routine (for example, sleeping, eating, recent death of a loved one, divorce)?	
Health conditions or diseases	
Do I have any health problems? Have I ever been hospitalized?	
Health problem or hospitalization	Details
Allergies	
Fill in the following information if you have allergies to medicines or other substances.	
Medicine or other substance	My reaction
Medicine or other substance	My reaction

Stop here. By the end of your appointment, make sure you have answers to the questions in Section 2.

Section 2: Summary of your appointment and next steps
